ayoko ng spontaneous
pagdating sa future, or

☐ may priorities in life, always thinking ahead, plan sa future (like nde lang for me or sa rs pero mas for him) and seeks growth ofc

☐ Family-oriented

☐ my family comes first so u must give the same importance to my family (and my friends too)

☐ Substance kausap - like tell me something i dont know !! teach me new stuffs ! i wanna leaaarn

☐ Gives me **constant assurance**. Especially when I dont have to ask or beg for it. May pagka overthinker ako, aso na nga lang inooverthink ko pa, what more sa tao na i will be committed to? I expect constant assurance and guarantees

☐ eto kebs lang: **tahimik sana**, ayoko ng guy na kapareho kong maingay, at same kami
